

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

May 20, 2004

Permit Number: OCRM-04-165-M
Permit ID: 49649

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: SC Department of Parks, Recreation & Tourism
1205 Pendleton St.
Columbia, SC 29201

LOCATION: On and adjacent to Scott Creek at 8377 State Cabin Rd, Edisto Island, Colleton County, South Carolina.

WORK: The work as proposed, and shown on the attached plan consists of constructing an erosion control device. The proposed structure will consist of a 100' long by 6.9' high vinyl sheet pile wall with associated backfill being constructed along a portion of an eroding shoreline. The purpose of the described activity is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before June 4, 2004. For further information please contact the project manager for this activity, Fred Mallett at 843-747-4323 ext. 119.
